Subseries HMU/P/14: Box of photographic prints

Creator: Murray; Hugh (1923-2013)

Date: 19th century-20th century (creation)

Scope and content: This series includes photographic prints collected by Hugh Murray, a local historian in York. The collection was listed by volunteers from York Civic Trust between 2015 and 2017. The original order of this material has been maintained, and the prints have been item-level listed as they were stored. Please see item level descriptions for more detailed information on the contents of this collection.

Physical description: 1 box

Language of the material:

- English

Physical condition: Archives - Non-digital

Restrictions on access: Open

Material is available subject to the usual terms and conditions of access to Archives and Local History collections.

Conditions governing use: Images are supplied for private research only at the Archivist's discretion. Please note that material may be unsuitable for copying on conservation grounds. Researchers who wish to publish material must seek copyright permission from the copyright owner.

Subseries HMU/P/16: Box of photographic prints

Creator: Murray; Hugh (1923-2013)

Date: 19th century-20th century (creation)

Scope and content: This series includes photographic prints collected by Hugh Murray, a local historian in York. The collection was listed by volunteers from York Civic Trust between 2015 and 2017. The original order of this material has been maintained, and the prints have been item-level listed as they were stored. Please see item level descriptions for more detailed information on the contents of this collection.

Physical description: 1 box

Language of the material:

- English

Physical condition: Archives - Non-digital

Restrictions on access: Open

Material is available subject to the usual terms and conditions of access to Archives and Local History collections.

Conditions governing use: Images are supplied for private research only at the Archivist's discretion.

Please note that material may be unsuitable for copying on conservation grounds. Researchers who wish to publish material must seek copyright permission from the copyright owner.
